

# CYBER SURAKSHIT BHARAT

## ONLINE TRAINING PROGRAMME

### BACK GROUND

Digital India is a key initiative for the country. In light of the recent attacks, there is increased focus on cyber safety. Recognizing the need to strengthen the cyber security ecosystem in India, and in alignment with the Honourable Prime Minister's vision for a 'Digital India', the Ministry of Electronics and Information Technology (MeitY), launched the Cyber Surakshit Bharat initiative in association with National e-Governance Division (NeGD) and industry partners.

### CHIEF INFORMATION SECURITY OFFICERS (CISOs) DEEP DIVE TRAINING

The purpose of the program is to spread awareness, build capacity as well as enable government departments on steps that need to be taken to create a resilient IT set up.

### TARGET AUDIENCES

Officers of following profile from Central and State/UT Governments and subordinate agencies/PSUs, including public sector Banks and Insurance companies, technical wings of police and security forces:

1. Designated Chief Information Security Officers (CISOs),
2. CTOs and Member of Technical /PMU teams, Officers responsible to observe security of the IT systems in their respective organizations

**BATCH SIZE - MAXIMUM 50 PARTICIPANTS**

## PROGRAMME OBJECTIVE

The objective of the programme is to educate & enable the Chief Information Security Officers (CISO) & broader IT community to address the challenges of cyber security.

- Create awareness on the emerging landscape of cyber threats
- Provide in-depth understanding on key activities, new initiatives, challenges and related solutions
- Applicable frameworks, guidelines & policies related to the subject
- Share best practices to learn from success & failures
- Provide key inputs to take informed decision on Cyber Security related issues in their respective functional area

## COURSE OVERVIEW

The 5 days residential regional training programme which started as in person training in 5-6 major cities across country is now being conducted in online mode in view of pandemic and it will be for 6 days duration. The following areas are covered in detail, from the practitioner perspective, by experts from Government and leading industries in the area.

Governance risk & compliance
